1. Complete an Information Request (CRD 93) and submit it to DMV with the applicable fee requesting the name(s) of the last registered owner(s) and lienholder(s). The mailing address is DMV, Post Office Box 27412, Richmond, Virginia 23269.
2. If a Virginia vehicle record is found, a transcript of the record will be sent to you with the information.
3. If DMV does not have a record of the vehicle, it will be noted on an Information Request (CRD 93) or an Information Request Reply (DL 71) and sent to you. You must then request a certification of the record from the state where the vehicle is titled. The certification must show the name(s) and address(es) of the owner(s) and lienholder(s).
4. Notify the owner(s) and lienholder(s) by registered or certified mail of the location of the vehicle and that if it is not claimed within 30 days (or if a manufactured or mobile home, 120 days), it is your intention to apply for a Virginia title.
5. If the owner(s) or lienholder(s) does not contact you within 30 days (or if a manufactured or mobile home, 120 days) from the date of receipt of your notification to make arrangements to claim the vehicle, you may apply for a Virginia title or a Virginia Non-Repairable Certificate.

If the vehicle is declared non-repairable, it ceases to be a vehicle and may only be sold as parts.
